

Richmond Therapeutic Equestrian Society

13671 No. 3 Road, Richmond BC V7A 1X7 Phone: 604-241-7837 Fax: 604-241-7858

Dear Friend of RTES,

Our Board of Directors and staff are committed to building brighter futures for children with disabilities in our local communities.

We need your help to continue to provide quality therapeutic programs. Each of our riders is treated as an individual, with special attention given to helping him or her overcome particular difficulties through the use of the horse as therapy.

Individuals coming together with a common purpose can make a huge and positive impact on people's lives. Please consider helping us to help others by donating to an initiative of your choice.

By helping these young people lead fuller, better lives, you are helping to build our society for the future. We know that together we can make a difference. Please join our team!

As a member or donor, you will receive a quarterly newsletter recognizing your support and keeping you up to date with our many activities and special events.

Thank you for your support.

Sincerely,

Frances Clark
Chair, Board of Directors
